

School Supplies List

Hi Parents!

This year's school supplies list will look a little different. Since the annual Hannaford Warehouse donation has come to an end, we'll be focusing more on shared, communal supplies for the classroom. To help keep things simple (and avoid too many duplicates!), we'll have a virtual sign-up for items we only need a few of, as well as for snacks. Thank you for helping us keep our classroom stocked and ready for a great year!

*We are requesting "brand name" supplies as we have learned these last longer and get better results for the kids!
Additionally, we have the SDS documentation for safety for those specific brands.

** Should your child require an EpiPen, rescue inhaler or another medical device; please put it in a labeled Ziplock bag so that it is easy to locate in their backpack.
